Remit all money by P. O. Money Order, Bank Draft or Express Order. Make all Drafts payable to The Titus Nursery.

Packing.—We pack all orders free of charge, and with the utmost care, using plenty of moss and paper and line all boxes to insure safe arrival. Everything is plainly labeled. We refill any orders lost in transit free of charge.

We furnish 5 at 10 rates, 50 at 100 rates, 500 at 1,000 rates. In five trees you may choose 2 varieties, in ten trees 4 varieties, in 50 trees 10 varieties, 100 trees 15 varieties. Express Rates.—The express companies have made a reduction of 20 per cent from regular merchandise rates for trees and plants.

Freight.—Owing to the trouble we have experienced in being unable to prepay the freight where shipment is routed over two or more roads, **we have discontinued prepaying the freight**, and have deducted a certain per cent added to the price of stock for prepaying freight. Don't be deceived on prepaid freight, you have it to pay at one end of the railroad, whether at the nursery or at your own home railroad office.

Customers are requested to notify us at once if any error occurs in filling order, or if stock arrives in poor condition. Our aim is to please each and every customer.

We guarantee all our stock to be free from all infectious diseases, healthy, vigorous and well-formed trees. We send out nothing but first-class stock. All culs go to the brush pile.

ENTOMOLOGIST CERTIFICATE SENT WITH EACH SHIPMENT.

We guarantee trees and plants true to name, and use the utmost care to avoid mistakes, but should any prove untrue to name we will refund the price paid, or replace stock free of charge; but beyond this it must be understood that we are liable no farther for damages. This is as much as anyone can possibly guarantee.
